# The Cheatcamp – Student Schedule & Responsibilities

**Civil Cheatcamp | 90-Day Program**

**Important:** Your **final certification** depends on completing all assignments, social media posts, videos, and internship documentation on time.

**Class Days:** Sunday–Thursday | **Class Time:** 2 PM – 4 PM
 **Coach / Instructor Sessions:** Fixed weekly sessions

---

## Daily Routine (Sunday–Thursday)

| Time | Activity | Notes / Deliverables |
| --- | --- | --- |
| 9 AM – 10 AM | Quick review of previous class / prep for class | N/A |
| 2 PM – 4 PM | Class / Practical Lab | AutoCAD, Revit, PM, BOQ, AI mini-week |
| 4 PM – 5 PM | Daily reflection video | 1 min explaining today's learning & mini-project progress |
| 5 PM – 6 PM | Optional practice / assignment | Refine drawings, schedules, or BOQ |

**Daily Submission:**

- Upload daily reflection video by **10 PM**

- Complete assigned mini-project tasks

---

## Weekly Responsibilities

| Day | Task | Deadline |
| --- | --- | --- |

| | | |
|---|---|---|
| Sunday | Weekly plan: List goals for the week | Submit by 12 PM |
| Wednesday | Submit **weekly video update** (2–3 min) | By 8 PM |
| Thursday | Post **social media update** on LinkedIn/Twitter/X | By 10 PM |
| Friday | Off | Use for catch-up if needed |
| Saturday | Off | Optional practice or reflection |

**Weekly Deliverables:**

- 1–2 social media updates per week
- 1 weekly video summarizing learning & mini-project progress
- Track progress in **internship log** (Month 3)

---

## Monthly Highlights & Deadlines

| Month | Deliverable | Deadline |
|---|---|---|
| Month 1 | Mini-project submission (AutoCAD/Revit) | End of Week 4 (Thursday 4 PM) |
| Month 1 | Personality video & self-intro reviews | Every Wednesday 8 PM |
| Month 2 | Mini-project progress report | End of Week 8 (Thursday 4 PM) |
| Month 2 | AI mini-project slides & demo video | End of Week 9 (Thursday 4 PM) |
| Month 3 | Internship weekly log & short videos | Every Thursday 10 PM |
| Month 3 | Final portfolio submission | Week 13 Thursday 4 PM |
| Month 3 | Final 90-day journey video | Week 13 Thursday 10 PM |

---

## Social Media Posting Schedule

| Frequency | Platform | Content Type | Deadline |
|---|---|---|---|

| 2–3 times per week | LinkedIn / Twitter/X | Learning updates, mini-project progress, AI insights | Thursday 10 PM |
| Once per month | LinkedIn | Detailed reflection post | End of Month |
| Final | LinkedIn / Twitter/X | 90-day video journey | Week 13 Thursday 10 PM |

## Internship Documentation (Month 3)

| Task | Frequency | Deadline |
| --- | --- | --- |
| Short on-field videos | 2 per week | Every Thursday 10 PM |
| Photos of tasks & work | Daily or 3–4 times/week | Upload weekly Thursday 10 PM |
| Internship reflection video | Weekly | Thursday 10 PM |

**Tips:**

- Videos: 1–3 minutes maximum, focus on learning & application

- Social media: Professional tone, tag **The Cheat School**, use hashtags: #Cheatcamp #CivilEngineerInMaking

## Certification Metrics

Your **final certificate** will be based on:

1. Completion of all **technical assignments & mini-projects**

2. **Weekly social media updates** & engagement

3. **Daily & weekly reflection videos**

4. **Internship documentation & on-field videos**

5. **Final 90-day video** documenting entire journey

6. **Improvement in communication, presentation, and professionalism**
